

## Electronic Milk Can Weighing Platform Scale.

Platform Scale

Display Panel

Ideally suited for weighing in manufacturing & process industry.

### Features:

- |   |   |
|---|---|
| 1) High accuracy.   | 5) Remote display option (wall / pole mounted)                          |
| 2) Large & bright green fluorescent display for easy readability under any condition. | 6) Variety of platforms capacities & size to suit every weighing needs. |
| 3) Optional RS-232 Output for data process.   | 7) Choice of useful options.  |
| 4) Material Options- Stainless Steel, Mild Steel-(Powder coated).                     | 8) User friendly, tough & rugged.                                       |

### Specifications:

- |                          |                                      |  |
|--------------------------|--------------------------------------|--|
| 1) Power Supply          | 90 – 270 V AC 50 Hz (SMPS)           |  |
| 2) Power Consumption     | 6 Watts                              |  |
| 3) Op. Temp. Humidity    | 0 – 45 <sup>0</sup> C. / 85% RH Max. |  |
| 4) Display Type / Digits | Green-VFD – 6 digits.                |  |
| 5) Display size          | 13 mm                                |  |
| 6) Number of Keys        | 5                                    |  |
| 7) Battery Charger       | Inbuilt.                             |  |

### Optional:

- |  |   |
|--|---|
| 1) In Built –RS-232 interface          | 5) Serial printing interface              |
| 2) Set Point (Inbuilt) –TTL Level      | 6) Kg to Liter conversion                 |
| 3) Set Point (External) – Relay output | 7) Remote display (pole or wall mounting) |
| 4) Rechargeable battery                |   |

Sr. No	Capacity	Resolution	Accuracy	Platform Size	Material
1	150 kg	1/15,000	10 g	505    650	Stainless Steel
